

2020 Good Neighbor Grant Program Application

Wink to Webster Pipeline LLC strives to be a good neighbor in the communities where we work and operate our pipeline system. Through our Good Neighbor Grant Program, we provide funds to local tax-exempt organizations that support community programs, educational initiatives or environmental projects. These funds must be used within one year of receipt to complete a project that will benefit a community near (within ~30 miles) the Wink to Webster pipeline. Grants range in value to up to \$10,000, although some exceptions may be made.

Who is Eligible?

The Good Neighbor Grant Program is open to both government organizations and officially recognized 501(c)(3) nonprofit organizations in relative proximity to the pipeline route.

Applicants should demonstrate that a grant will provide a lasting, measurable impact to the community.

Examples of Eligible Grant Applicants:

- **First Responders:** Groups that provide for the safety of their community
Examples: Fire Departments (volunteer or paid), Police Departments and Emergency Preparedness Organizations
- **Educational Organizations:** Entities that support educational enrichment in their communities, especially those with a focus on STEM (Science, Technology, Engineering and Mathematics)
Examples: Public Schools, After-School Programs and Professional Development for Educators
- **Environmental Organizations:** Groups that encourage conservation and appreciation of our natural assets
Examples: Wildlife Rescue and Rehabilitation Centers, River Conservation Authorities and Nature Centers

The program is not intended to support:

- Individuals or families
- Ongoing annual funding
- Organizations that are not near the Wink to Webster pipeline route
- Political, labor, fraternal organizations or civic clubs and any organization that distributes political messages or otherwise attempts to influence legislation
- Athletic or sporting event sponsorships unless directly related to supporting community public safety and emergency preparedness, and for charitable purposes

Exceptions may be made at Wink to Webster Pipeline's sole discretion.

How to Apply

Please provide all information requested below **exactly** as it appears on your organization's official tax information. Applications that are incomplete or inaccurate will be rejected.

All decisions regarding the process and grant awards will be made at the discretion of Wink to Webster Pipeline.

Application Requirements

Grant applications must be submitted with all required items described below. Since the organization's information must align with data provided by U.S. Internal Revenue Service (IRS), accuracy and completeness is crucial. Applications that are inaccurate or incomplete will be rejected.

Required Items:

1. Complete an accurate application form (included below)
2. Current W9
3. Current IRS Nonprofit Determination letter (if applicant is not a government organization)
4. Written estimate from vendor, if applicable, substantiating the value of the grant requested
